*** ADULT COMMUNITY LEARNING CLASSES** ACL classes are funded by the Skills Funding Agency and European Social Fund.

They are different to the standard drop in classes and are more structured, with set times scales for the courses and Individual Learning Plans (ILP's), coursework and targets etc. involved. Because the classes receive this funding and are also subject to inspection by Ofsted, there are targets and quality standards imposed as a condition of the funding. There is an expectation when you enrol, that you'll be willing to contribute to meeting these by attending every session, if possible, and working with the tutors to achieve your learning goals, otherwise our continued funding for these courses could be affected.

ACL classes are usually £3.00 per class, but are free for those receiving certain benefits (proof required).

New Horizons is a pioneering activity centre for older people delivered by a consortium of three charities, Open Age, Age UK Kensington and Chelsea and the Guinness Trust, in partnership with the Royal Borough of Kensington and Chelsea and NHS Kensington and Chelsea. Lead organisation: Open Age. Open Age is registered as a charity in England and Wales No 1160125.
