ADULT COMMUNITY LEARNING CLASSES: These classes have this symbol next to them in our programmes.

They are different from the standard Open Age drop- in classes. We are required to meet certain conditions to

receive the funds to deliver these classes and must ask you to complete an enrolment form at the start of

each academic year (September to August ), provide specific ID, national insurance number and proof of benefits if

applicable. If we do not meet these conditions we will not receive the funds to deliver the classes. Please help us by doing the following:

- Ask questions about the class before you join to be sure it is the right class and level for you
- Do not book the class if you know you have planned holidays. Absence and irregular attendance affects our funding and prevents other members from joining classes.
- Please arrive on time, at least 5 minutes before class starts.
- Do let us know if you will be absent, late, or need to withdraw from the class for any reason

Finally, we want you to enjoy the class and recommend Open Age to your friends.

If you have any suggestions, we'll be happy to hear from you.
