*** INFORMATION FOR (ACL) ADULT COMMUNITY LEARNING CLASSES:**

ACL classes are funded by the Skills Funding Agency and European Social Fund. They are different to the standard drop in classes and are more structured, with set times scales for the courses and Individual Learning Plans (ILP's), coursework and targets etc. involved.

Because the classes receive this funding and are also subject to inspection by Ofsted, there are targets and quality standards imposed as a condition of the funding.

There is an expectation when you enrol, that you'll be willing to contribute to meeting these by attending every session, if possible, and working with the tutors to achieve your learning goals, otherwise our continued funding for these courses could be affected.

An ACL enrolment form with relative ID and National Insurance Number must be completed once per academic term.

ACL classes are usually £3.00 per class, but are free for those receiving certain benefits (proof of such required).
